

Thank You

for making our Food Show a huge success!

If you were able to attend our Annual Food Show and Customer Appreciation Event on Tuesday, March 10th, you had the opportunity to take advantage of food show deals and allowances from over 125 vendors. Thanks to you, this year's event was the best in the history of Latina Boulevard Foods! For those of you that could not attend, we hope you will do so next year. Again, thank you for making our special day a huge success and letting us prove to you why we are, and always will be...
